Here is my rebuttal of the AAP statement. Yellow highlights and usually embedded comments. I'm doing this from inside a plane on the tarmac using my iPhone hot spot, so I hope it works. :)

Hi Jason

Thanks for forwarding. I skimmed through and don't see any surprises. Please refer audience questions about standards of care to the other docs who are more articulate on this subject than I.

Andre, Quentin, and Miriam,

Please see the below and attached. Today, the American Academy of Pediatrics and its Florida Chapter have submitted this white paper responding to the GAPMS report and the proposal rule. I encourage you to read it.

Thanks,
Jason

To whom it may concern:

Thank you for the opportunity to provide commentary to the Agency for Healthcare Administration on Medicaid rules currently being considered.

Attached is a joint letter from The American Academy of Pediatrics and the Florida Chapter of the American Academy of Pediatrics pertaining to the proposed rule concerning Medicaid's coverage of gender affirming care. This letter also has been submitted electronically through the feedback form at the Florida Department of State public notice number 25979915.

I am requesting that you please acknowledge receipt of this communication via return email.

Thank you once again, and please let me know if you have any questions.

Sincerely,

Scott VanDeman
Communications Coordinator
