Legislative Priorities:

- **Defamation**
- **Abortion restrictions**
- **Physicians' rights** – free speech and right to conscience
- **Second Amendment Rights** -- broaden constitutional carry protections and modify/reevaluate Florida red flag laws to ensure constitutional due process
- **Tax relief** – additional homestead exemptions; property tax relief; elimination of the corporate lease tax; toll relief
- **Infrastructure** – targeted program to reduce Florida congestion; freight and logistics plan to prioritize infrastructure development that reduces the cost of intrastate shipping; core projects to facilitate manufacturing
- **Education** – broader school choice / ESA ideas; Florida education finance program
- **Teachers** – another round of teacher bonuses; recruitment bonuses for veterans, retired police and firefighters (“Florida heroes”) to become teachers
- **Law enforcement bonuses** – renewed
- **Higher education** – trustee and President accountability for State University System Institutions
- **Environmental water project work program** – similar to DOT’s work program
- **China** – prevent Florida public entities from receiving funds from the CCP; prohibit Florida government entities from procuring CCP-owned or subsidized products or services; direct SBA investment managers to cease accumulating investments in China & develop a divestment strategy for existing investments
- **Banning ESG Investing** – prohibit state pension managers from investing in ESG-focused funds
- **Woke Banking** – clarify that discriminatory banking based on political views and activities violates Florida’s consumer protection laws
- **Eliminating bureaucracy** – agency consolidation and cabinet reform; elimination of unnecessary boards and commissions; review of special districts
- **Block chain** – allow for all state fees to be received through crypto currency; targeted block chain pilot re: transaction validation
- **Child protection / gender dysphoria** – impose statutory liability on big pharma and physicians facilitating gender transitions of minors; impose medical licensing requirements that sanction gender mutilating surgeries; prohibit licensing of Florida businesses that facilitate drag shows and other lewd activities or entertainment that

**Ones in red have not been added to the draft event schedule*

LIST OF POTENTIAL EVENTS

- **Workforce housing** – implement sales tax exemptions for construction materials used in affordable housing; fast track permitting processes for qualifying projects; require housing impact analyses for local ordinances that add cost to construction
- **Florida Bar Reforms** – reevaluate accreditation of Florida law schools, years of law school, and bar exam requirements
- **State Guard** – codify the guard and beef up resources
- **Immigration** – private right of action to compensate individuals and their families for death or harm caused by an undocumented immigrant; revise Florida’s human smuggling statute to provide for the prosecution of the smuggles; increase law enforcement resources
