Paul,

Today I was sent Dr. Kristopher Kaliebe's CV, an article in the Journal of Adolescent and Child Psychiatry, and a letter to the editor that he has submitted for publication in response to the letter. Dr. Kaliebe is on faculty at University of South Florida College of Medicine. He is triple board certified in Child and Adolescent Psychiatry, General Psychiatry, and Forensic Psychiatry. He wants to be present in Tallahassee to testify before the board regarding this issue.

His contact information is in his CV.

Patrick
